What Each Guide Helps With

Outdoor Sauna Site Preparation and Installation Guide

CSauna public guide for outdoor sauna site preparation, delivery checks, base planning, panel assembly, roof protection, heater coordination, and RFQ evidence.

Barrel and Glass Sauna Installation Checklist

CSauna checklist for barrel sauna and glass-front sauna installation planning, including base, bands, glass handling, roof cover, heater clearance, and final inspection.

Electric Sauna Heater and Control Planning Guide

CSauna buyer guide for planning electric sauna heaters, Harvia-compatible heater families, controls, sensors, stones, ventilation, and electrical questions before RFQ.

Wood-Burning Sauna Stove Safety and Maintenance Guide

CSauna public guide for wood-burning sauna stove planning, fire-safety distances, floor protection, chimney coordination, first heating, ash, stones, and winter storage.

Sauna Maintenance and Wood Care Guide

CSauna maintenance guide for sauna benches, walls, floors, ventilation, exterior coatings, stones, glass, seasonal checks, and commercial cleaning logs.

Sauna Wood Materials Guide

CSauna wood selection guide comparing Nordic spruce, cedar, hemlock, thermo wood, dark finish options, bench touch surfaces, and private-label buyer questions.

After-Sales, Warranty Evidence and Service Claim Guide

CSauna after-sales guide for distributors and importers documenting warranty evidence, service tickets, replacement parts, arrival damage, missing parts, and claim approval.

Sauna Installation Handover Checklist

CSauna installation handover checklist for dealers, builders, hotels, spas, resorts, and distributors before customer acceptance and warranty start.
